

Reaching out to moms who have lost a child

Journey of the Heart Conference

May 18-20, 2012 ~ Palm Springs, California

An annual women's retreat and workshops designed for mothers who have experienced the loss of a child will be held at the Doral Desert Princess Resort.
67967 Vista Chino, Cathedral City, CA

The Conference is designed to uplift mothers physically, mentally, emotionally, and spiritually.

The speakers will share insights on grief and the tools with which to cope. The added benefit of meeting new friends who are walking on the same road and journey towards healing will be rewarding. At the conference we are able to give and receive comfort from one another. It is a time of sharing, caring, bonding and the making of lasting friendships, as well as a special time of celebrating and remembering our children through a beautiful candlelight program and dove release.
